

Dear Brookside student and parents,

I hope this message finds you and your family in good health and high spirits at the end of this school year!

We had an outstanding eighteenth consecutive year running our martial arts program at Brookside Elementary. Since 1998, we have seen countless boards break and experienced endless amounts of achievement. We've increased our class size almost five-fold last year, **and hope to do so again this school year.**

Soo Bahk Do will teach your child tradition, discipline, respect, technique and history in an art form that is truly beautiful to behold. **Best of all, it's fun!** We offer a curriculum that makes it only natural to attend to each child's individual goals and needs.

We offer our school program at a **reduced cost** to your children, conveniently set in the elementary-school gymnasium twice a week after school. This program is brought to you with a curriculum that has endured more than **40 years** at Winding River Karate Studio. Thousands of students have enjoyed this education under Master Frank Schermerhorn. **As a matter of fact, this is my 19th consecutive year training at Winding River!**
