# CHARYUT!

Spring 2015

Fellow students, parents and friends,

We've made it through Winter and are now on to the season of regrowth. Green belts rejoice, for it is finally your turn to match the season! I am pleased to say that we have been working hard this Winter on a couple different improvements that directly affect you.

## Referral Program-

We thank you for your continued participation and hard work here at Winding River Karate. It is your support-and that of students to be-that keep us going. We wish to reward you for your work in spreading the values of your martial art to friends, family and coworkers alike-**for every person you refer who signs an agreement with us, we will cover the cost of 1 month tuition at the end of your current agreement with renewal.** That will be some significant savings for you, but also keep in mind that each new student brings us closer to achieving other goals, like our upstairs restoration project, new classes, kicking bags-**things that positively affect you!**

Feel free to take some pamphlets to work with you, mention our introductory program, and let's build our community together.

## New Website coming soon-stay tuned!

With the incredible help of our very own Natalie Leotta, I am pleased to announce the launch of our new website, [windingriverkarate.com](http://windingriverkarate.com). For current students, there will be a page just for you. You may download test forms, study guides, anything we find that may be of help to you as they become available to us!

Please be sure to like us on Facebook to stay up to date on all goings-ons. As always, please don't hesitate to contact me with anything!

Yours in the Moo Duk Kwan,
